Horse Thief Arrested.

Don Johnson Thursday arrested Hugh Drake, a notorious horse thief, in the Sulphur Springs valley, and turned him over to Captain Oglesby, a New Mexico officer. He is wanted in New Mexico for stealing horses. Captain Oglesby, who for sixteen years has been captain of the New Mexico rangers, was at Douglas to receive the prisoner. Drake is wanted in Texas for the same offense. His record is unsavory, and those who know him say that he has been engaged in the business for years.—Bisbee Review.

Willing to Pay \$175.

The board of supervisors yesterday received a telegram from Hon. M. A. Smith, in Washington, relative to the Santa Fe Pacific tax exemption bill, now in the hands of the house committee on railroads, in which he states that the railroad has promised to pay taxes at the rate of \$175 per mile, but that New Mexico's delegate objects to stating any amount in the proposed bill. He further states that there are other difficulties in the way, of which he has advised the board by mail.

United States Jurors.

F. W. Hill of Tucson, deputy U. S. marshal, was here Monday summoning grand and trial jurors for the session of the United States court, to be held in Prescott commencing Monday, March 24. The following Flagstaffites were summoned as jurors: A. A. Dutton and Al Doyle, grand jurors; J. S. Amundsen, George Hochderffer, S. B. Gilliland, J. C. Grim, Henry Slosson, trial jurors.

Right of Way.

The senate committee on public lands Thursday reported favorably on a bill granting the Central Arizona railway a right of way through the San Francisco forest reserve.

Judge Sloan Confirmed.

The Senate on Wednesday confirmed the appointment of Judge R. E. Sloan to be associate justice of Arizona for the fourth judicial district.

The nomination had been held up three months by a senator from New Jersey. No reason was assigned for the delay. Rochester Ford, E. E. Ellinwood, ex-Governor McCord and C. F. Ainsworth appeared several days ago before the committee on judiciary and were given a hearing on behalf of Judge Sloan. The committee immediately after the hearing decided to report favorably.

Judge Sloan is held in universal esteem throughout the territory. In this district Judge Sloan is a popular and highly respected jurist and the desire for his reappointment was universal, the people irrespective of party believing that he richly deserved that honor.

Stricken With Paralysis.

M. Giddings was brought to the Hawks Hotel yesterday suffering from an attack of paralysis. Mr. Giddings had been stopping at the Brookbank ranch, at Little Springs, on the north side of the San Francisco mountains, and alone when stricken with paralysis. He had been unable to leave his bed for two days, when a couple of men traveling from Utah to Southern Arizona stopped at the house and brought him to the ranch of W. H. Anderson, and yesterday Hugh Anderson brought him to town for medical treatment. Mr. Giddings is an old soldier, 77 years old.

Forging Ahead.

Some enthusiastic people in Douglas claim that this town will have a population of 5,000 within a year. It is to be feared they are letting their enthusiasm get the better of their judgment. Although the town is rapidly forging to the front as one of the important trade centers of the Southwest, and will have, when developed, the resources to sustain a prosperous town of a much greater population than 5,000, yet the present conditions do not warrant the presumption that there will be any such extraordinary growth.—International.

William Sparks Dead.

William Sparks died at the county hospital at 2 o'clock yesterday morning of erysipelas, after a few days illness. Deceased was an old-timer in Arizona. He was a soldier in the civil war, enlisting in Co. E, Eleventh Ohio Cavalry, early in 1863, and served his enlistment, remaining in the west. The funeral takes place this afternoon from the G. A. R. Hall, the remains being interred in the Grand Army cemetery. Deceased was a native of Indiana and was about 59 years of age.
